Please visit <https://sigar.mil/contact/foia/> and navigate to “Reading Room” to access this report and download a paper copy.

II. MAKING A FOIA REQUEST

SIGAR often obtains copies of documents originating from other agencies during the course of its audits, investigations, and reviews. FOIA requests therefore can involve interagency consultations and referrals. In addition, because SIGAR is a law enforcement agency, law enforcement exemptions to the FOIA may also apply.

Many of our audits, inspections, and other reviews are cited in our publicly available Quarterly Reports. Those reports and hundreds of others are available for public inspection at <https://www.sigar.mil/contact/foia> and <https://www.sigar.mil/allreports>.

To submit a FOIA request, simply navigate to “FOIA | Privacy Act” from <https://sigar.mil/contact> and complete the submission form, or send mail to:

III. DEFINITIONS AND EXEMPTIONS

ADMINISTRATIVE APPEAL – a request to a federal agency asking that it review at a higher level a FOIA determination made by the agency at the initial level.

AVERAGE NUMBER – the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.

BACKLOG – the number of requests or administrative appeals that are pending at an agency at the end of the fiscal year that are beyond the statutory time-limit.

COMPONENT – for agencies that process requests on a decentralized basis, a “component” is an entity, also sometimes referred to as an Office, Division, Bureau, Center, or Directorate, within the agency that processes FOIA requests.

CONSULTATION – the procedure whereby the agency responding to a FOIA request first forwards a record to another agency for its review because that other agency has an interest. Once the agency in receipt of the consultation finishes its review of the record, it responds back to the sending agency.

EXEMPTION 3 – refers to section 552(b)(3) of the FOIA, which incorporates into the FOIA certain nondisclosure provisions that are contained in other federal statutes.

FOIA REQUEST – a request to a federal agency for access to records concerning another person, or concerning an organization, or a particular topic of interest. FOIA requests also include requests made by requesters seeking records concerning themselves when those requesters are not subject to the Privacy Act, such as non-U.S. citizens. Moreover, because all first-party requesters should be afforded the benefit of both the access provisions of the FOIA as well as those of the Privacy Act, FOIA requests also include any first-party requests where an agency determines that it must search beyond its Privacy Act “systems of records” or where a Privacy Act exemption applies, and the agency looks to FOIA to afford the greatest possible access. All requests which require the agency to utilize the FOIA in responding to the requester are included in this report.

FULL GRANT – an agency decision to disclose all records in full.

FULL DENIAL – an agency decision not to release any records in response to a FOIA request because the records are exempt in their entirety under one or more of the FOIA exemptions, or because of a procedural reason.

MEDIAN NUMBER – the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.

MULTI-TRACK PROCESSING – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first in/first out basis.

EXPEDITED PROCESSING – an agency will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in the statute and in agency regulations.

SIMPLE REQUEST – a FOIA request that an agency using multi-track processing places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.

COMPLEX REQUEST – a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of the request.

PARTIAL GRANT/PARTIAL DENIAL – an agency decision to disclose portions of the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for a procedural reason.

PENDING REQUEST or PENDING ADMINISTRATIVE APPEAL – for which an agency has not taken final action in all respects.

PERFECTED REQUEST – a request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.

PROCESSED REQUEST or PROCESSED ADMINISTRATIVE APPEAL – for which an agency has taken the final action in all respects.

RANGE IN NUMBER OF DAYS – the lowest and highest number of days to process requests or administrative appeals.

TIME LIMITS – the time period in the statute for an agency to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).

a. EXEMPTIONS

Documents requested under the FOIA may be redacted to the extent that they are protected by one or more of the following exemptions:

- (b)(1)** – classified national defense or foreign relations information;
- (b)(2)** – information that is related solely to the internal personnel rules and practices of an agency;
- (b)(3)** – information that may be prohibited from disclosure by another federal law;
- (b)(4)** – trade secrets or other confidential business information;
- (b)(5)** – communications within or between agencies encompassing the deliberative process, attorney-client or attorney work-product privilege;
- (b)(6)** – information involving matters of personal privacy;
- (b)(7)** – records or information compiled for law enforcement purposes that;
 - (A)** could reasonably be expected to interfere with enforcement proceedings;
 - (B)** would deprive a person of the right to a fair trial or impartial adjudication;
 - (C)** could reasonably be expected to constitute an unwarranted invasion of personal privacy;
 - (D)** could reasonably be expected to disclose the identity of a confidential source;
 - (E)** would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions; or
 - (F)** could reasonably be expected to endanger the life or physical safety of an individual.
- (b)(8)**: protects matters that are contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;
- (b)(9)**: covers geological and geophysical information and data, including maps, concerning wells.

In amending the FOIA in 1986, three special “exclusions” were created:

- (c)(1)** – where the subject of a criminal investigation or proceeding is unaware of the existence of records concerning a pending investigation and disclosure of such records would interfere with the investigation;
- (c)(2)** – when informant records maintained by a criminal law enforcement agency are requested by a third party according to the informant’s name or identifier;
- (c)(3)** – classified FBI records pertaining to foreign intelligence, counterintelligence or international terrorism.
